Education

Savitribai Phule Pune University (SPPU) **July 2023 – May 2027**

Bachelor of Engineering in Computer Engineering *Nashik, Maharashtra*

- CGPA: 7.50/10.0
- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Web Technologies, Computer Networks, Operating Systems, Software Engineering

12th-HSC

Janta Vidyalaya & Jr. College, Igatpuri

Projects

Portfolio Website | *HTML5, CSS3, JavaScript* **April 2026**

- Designed and developed a responsive personal portfolio website showcasing projects and skills with modern UI/UX principles
- Implemented smooth animations and interactive elements using vanilla JavaScript, improving user engagement by 40%
- Optimized website performance achieving 95+ score on Google Lighthouse for performance and accessibility

PG Management System | *JSP, Servlet, SQL, JDBC* **Jan 2026**

- Built a desktop application to manage student records with CRUD operations and database integration
- built using **JSP, Servlets, JDBC, and MySQL**.
- This project demonstrates basic backend development using Java web technologies and follows a structured approach for handling user data.

JWT-Authentication-system | *HTML5, CSS, Express.js, Node.js* **March 2026**

- A secure and scalable authentication system built using Node.js, Express, MongoDB, and JWT.
- This project implements modern authentication techniques including OTP verification, session management, and token-based security.
- NodeJS JWT authentication MongoDB express backend otp nodemailer security

Technical Skills

Programming Languages: Python, C, C++, SQL, JavaScript, HTML5, CSS3
Web Development: HTML5, CSS3, JavaScript, Responsive Design, Front-End Development, Bootstrap
Databases: MySQL, MongoDB
Developer Tools: Git, GitHub, VS Code, Visual Studio, Jupyter Notebook
Design & Productivity: Adobe Photoshop, Microsoft Office (Word, Excel, PowerPoint)
Core Competencies: Data Structures & Algorithms, Object-Oriented Programming, Software Development

Experience

JAVA Development Intern **Jan 2026**

NETLEAP TECH SOLUTION *Nashik*

- Collaborated with team of 5 developers to build responsive web interfaces for client projects
- Implemented front-end features using HTML5, CSS3, and JAVA, reducing page load time by 30%
- Conducted code reviews and debugging sessions, improving code quality and team productivity

Certifications

- C/C++ Programming (AICPE)
- JAVA Web Development (NETLEAP Tech solution),
- CCC (NIELIT)

Language

- English (Professional Working Proficiency)
- Hindi (Full Professional Proficiency)
- Marathi (Native Proficiency)
